18-19 days* (USA)

Presence Detector MR16 360° with 3 sensors. For installation in a MR16 frame for LED spots. With temperature sensor and LED night light. New application. 3 pyro detectors with lens for presence detection. Adjustable presence and presence sensitivity for day, night and alarm. Coverage 11m Ø, presence 5m Ø. 3 light channels, sensors can be individually evaluated. 1 HVAC and 1 alarm / notification channel. Short time presence to reduce the after-running time. Integrated temperature sensor. Input for an external push button with reset time. Intelligent switching function for automatic / manual operation. Blocking and forced function with release time. Extensive day / night function with 2nd switching object. Integrated LED night light. Orientation light (brightness and time adjustable). Avoiding of false reports for the alarm channel by reducing the sensitivity and adjustable observation window. Also usable for swiveling MR16 mounting frame.

* Note on delivery time: Day = Monday to Friday, no public holiday in Bavaria or Saxony. Goods are also delivered on Saturdays (DHL).

** Payment methods may vary from country to country. All prices plus shipping and excluding customs duties or other additional costs (import sales tax) for deliveries outside the EU.

*** Savings compared to RRP = the manufacturer's recommended retail price. RRP is the price recommended to retailers by the manufacturer, importer or wholesaler as a resale price to the customer. The RRP is also referred to as the list price and is defined as the highest possible price that a buyer would pay for a specific product before any discounts (Source of gross list prices: Germany).
