P-LED recessed ceiling light 3000K round ws dim L44100102 Suitable for built-in installation, Suitable for ceiling installation, Adjustability not adjustable, Light source LED cannot be replaced, With light source, Housing material aluminium, Surface powder-coated, Housing color white, Cover material plastic opal, Voltage type AC, Rated voltage 220 ... 240V, LED nominal current at constant current 350 ... 350mA, Control gear LED control gear, current-controlled, With control gear, Dimming dependent on control gear, Trailing edge dimming, Trailing edge dimming, Light distribution symmetrical, Beam angle extremely wide >80°, Light emission direct, Degree of protection (IP) IP44, protection class II, rated ambient temperature according to IEC62722-2-1 -20 ... 40°C, max. system power 10W, light color white, color temperature 3000 ... 3000K, color rendering index CRI 80-89, luminous flux 995 .. 995lm, rated luminous flux according to IEC 62722-2-1 700lm, luminous intensity 541cd, height/depth 40mm, outer diameter 103 mm, installation height/depth 45mm, installation diameter 85mm, number of poles 2, connection type screw terminal, light output 99lm/W, With the LED recessed ceiling light, even demanding lighting tasks can be easily implemented thanks to the high light output. Thanks to the given degree of protection and the low installation depth, there are significantly more possible uses compared to other LED lights. There are no additional costs for lamps with this lamp, since the power is supplied by a permanently installed LED chip. Since the power pack is already included in the scope of delivery, there are no additional costs for this either.

* Note on delivery time: Day = Monday to Friday, no public holiday in Bavaria or Saxony. Goods are also delivered on Saturdays (DHL).

** Payment methods may vary from country to country. All prices plus shipping and excluding customs duties or other additional costs (import sales tax) for deliveries outside the EU.

*** Savings compared to RRP = the manufacturer's recommended retail price. RRP is the price recommended to retailers by the manufacturer, importer or wholesaler as a resale price to the customer. The RRP is also referred to as the list price and is defined as the highest possible price that a buyer would pay for a specific product before any discounts (Source of gross list prices: Germany).
