Housing for command devices 22mm, round 3SU1851-0AE00-2AB1 Number of command points 1 Number of pushbuttons 1 Number of indicator lights 0 Number of key switches 0 Number of selector switches 0 Number of mushroom buttons 0 Rated control supply voltage Us at AC 50 Hz 5 ... 500V, rated control supply voltage Us at AC 60 Hz 5 ... 500V, rated control supply voltage Us at DC 5 ... 500V, color of the upper part of the housing grey, material of the housing metal, number of contacts as NO contact 0, number of contacts as NC contact 1, Number of contacts as changeover contact 0, degree of protection (IP) IP67/IP69K, degree of protection (NEMA) 13, housing for command devices, 22 mm, round, housing material metal, housing upper part grey, 1 command point metal, A=pushbutton black, 1NC, screw connection, base mounting, label: O, 1xM20 each at the top and bottom, label included SIRIUS ACT housing for mounting the 22.5 mm command and signaling devices with spatially separate arrangement of control units and control cabinets. Under the brand With the name SIRIUS ACT, Siemens offers a unique portfolio of commanding and signaling devices with global product approvals in four modern design series made of robust real metal and high-quality plastic. The innovative snap-on concept simplifies assembly to such an extent that only one hand and no special tools are required. Groove-free holes are sufficient as mounting holes, as 100% anti-twist protection is already integrated. Thanks to the consistently high degree of protection, the robust devices are suitable for industrial use and for outdoor use. Even cleaning with a high-pressure jet is possible. Neither dust, oil nor aggressive alkalis can disrupt reliable operation. In addition to the standard wiring, the devices can also be connected to the controller via PROFINET, AS-Interface or IO-Link. This reduces your wiring effort, minimizes sources of error and gains more flexibility. The graphic online configurator provides convenient support when selecting and ordering individual devices, housings and labels. Extensive documentation (e.g. manual, 3D data, connection diagram) is available. Available versions: yellow/grey, plastic/metal, 1-6 command points, empty housing/pre-assembled, optionally with AS-Interface connection. SIRIUS ACT - Performance in Action when commanding and reporting. Simply assembled, simply strong, simply perfect.

* Note on delivery time: Day = Monday to Friday, no public holiday in Bavaria or Saxony. Goods are also delivered on Saturdays (DHL).

** Payment methods may vary from country to country. All prices plus shipping and excluding customs duties or other additional costs (import sales tax) for deliveries outside the EU.

*** Savings compared to RRP = the manufacturer's recommended retail price. RRP is the price recommended to retailers by the manufacturer, importer or wholesaler as a resale price to the customer. The RRP is also referred to as the list price and is defined as the highest possible price that a buyer would pay for a specific product before any discounts (Source of gross list prices: Germany).
