Cordless impulse wrench 18V DTS141RTJ Nominal voltage 18V, battery capacity 5Ah, weight with battery pack 1.6kg, max. torque 40Nm, cordless impulse wrench with electro-hydraulic impulse principle instead of mechanical impact mechanism, thus low noise development. Hydraulics with oil cooling for long, continuous work performance. Brushless motor for more endurance, longer service life and more compact housing. Impact mechanism adjustable in 3 stages. Electronically adjustable speed. With bright LED. For standard screws M6-M10 and high-strength screws M6-M8. Scope of delivery: 2x battery, round-head screw M4x12, suspension bracket, contact protection cap, MALPAC size 2

* Note on delivery time: Day = Monday to Friday, no public holiday in Bavaria or Saxony. Goods are also delivered on Saturdays (DHL).

** Payment methods may vary from country to country. All prices plus shipping and excluding customs duties or other additional costs (import sales tax) for deliveries outside the EU.

*** Savings compared to RRP = the manufacturer's recommended retail price. RRP is the price recommended to retailers by the manufacturer, importer or wholesaler as a resale price to the customer. The RRP is also referred to as the list price and is defined as the highest possible price that a buyer would pay for a specific product before any discounts (Source of gross list prices: Germany).
