

## Surge protection for signal systems PT-IQ-2X2-24DC-UT

**Phoenix**  
PT-IQ-2X2-24DC-UT  
2800980  
4046356665803 EAN/GTIN

**162,79 USD** excl. VAT\*\*  
plus shipping

 **15-16 days\* (USA)**

Surge protection device PT-IQ-2X2-24DC-UT Rated voltage DC 24 ... 24V, maximum continuous voltage AC 21V, maximum continuous voltage DC 30V, rated discharge current (8/20) 10kA, rated load current 0.7A, protection level wire/wire 55V, protection level Wire/earth 700V, cut-off frequency 1.1MHz, other type of installation, connection 1 terminal, arrester monitoring, optical signaling on the device, overvoltage protection, consisting of protective plug and base element, with integrated multi-stage status display on the module, for two 2-wire floating signal circuits, HART able to.

\* Note on delivery time: Day = Monday to Friday, no public holiday in Bavaria or Saxony. Goods are also delivered on Saturdays (DHL).

\*\* Payment methods may vary from country to country. All prices plus shipping and excluding customs duties or other additional costs (import sales tax) for deliveries outside the EU.

\*\*\* Savings compared to RRP = the manufacturer's recommended retail price. RRP is the price recommended to retailers by the manufacturer, importer or wholesaler as a resale price to the customer. The RRP is also referred to as the list price and is defined as the highest possible price that a buyer would pay for a specific product before any discounts (Source of gross list prices: Germany).
