Velcro tape 20 mm x 10 m FE510090304 Width of the tape 20 mm, tape length 10000 mm, tape thickness 0.85 mm, min. holding force 30N, design Velcro tape, tape fastener Velcro fastener, material plastic, material quality other, surface other, color black, labeling area without, detachable fastener, type of fastening without, The universal Velcro made of polyurethane can be used in electrical, household, Garden and hobby area can be used universally. It consists of a polypropylene hook material (hook) that is based on polypropylene loop material (Loop) is laminated. It is easy to work with and very light removable, even if only little space is available. Because of Due to its thin profile, the Scotchflex universal hook and loop tape is very conformable and repositionable. In addition, it prevents too strong Pressure load, as often occurs when using cable ties. Due to its high tear resistance, it ensures high security when bundling as well as fortifications. The reusability of the Velcro saves costs and avoids unnecessary waste.
