64,24 USD excl. VAT**
plus shipping

15-16 days* (USA)

Flat profile mounting base detectable TC5342A-NDT length 28.6mm, width 28.6mm, height 6.4mm, suitable for cable tie widths up to 4.8mm, type of mounting self-adhesive, material plastic with metal pigments, material quality other, operating temperature 0°C, color blue, The detectable mounting base is detectable by metal detectors and X-ray machines. In addition, the blue color simplifies visual recognition. This series is therefore particularly suitable for applications such as in the food and pharmaceutical industries. The detectable base is available in several variations. It can be purchased as a low profile base, a screw mount base, a saddle base, and a 2 and 4 entry base. The powerful mounting base completes the product range of our reliable premium cable ties and covers the most frequently requested cable management applications.

* Note on delivery time: Day = Monday to Friday, no public holiday in Bavaria or Saxony. Goods are also delivered on Saturdays (DHL).

** Payment methods may vary from country to country. All prices plus shipping and excluding customs duties or other additional costs (import sales tax) for deliveries outside the EU.

*** Savings compared to RRP = the manufacturer's recommended retail price. RRP is the price recommended to retailers by the manufacturer, importer or wholesaler as a resale price to the customer. The RRP is also referred to as the list price and is defined as the highest possible price that a buyer would pay for a specific product before any discounts (Source of gross list prices: Germany).
