Multimedia pipe set 1x1.5m 92x50 gr 29410092 Material polyolefine, flame-retardant design, bending behavior flexible, compressive strength class light (class 2), impact resistance light (class 2), flush-mounted, hollow wall, inner diameter 40mm, outer diameter 50mm, operating temperature -5 ... 90°C, color grey, RAL number 7037. The multimedia pipe is an oval-shaped corrugated plastic pipe made from polyolefin, in the color grey. This multimedia tube is used for flush-mounted installation. The 1.5m set can be used for the living room. The advantage lies in the exchangeability of the cable with plug and the subsequent positioning of the multimedia outlet socket. Low installation depth of 6cm due to the oval shape of the tube. Temperature resistance -5°C to +90°C. Scope of delivery: 1.5m set: 1.5m oval tube, 2 outlet boxes, 2 end caps.

* Note on delivery time: Day = Monday to Friday, no public holiday in Bavaria or Saxony. Goods are also delivered on Saturdays (DHL).

** Payment methods may vary from country to country. All prices plus shipping and excluding customs duties or other additional costs (import sales tax) for deliveries outside the EU.

*** Savings compared to RRP = the manufacturer's recommended retail price. RRP is the price recommended to retailers by the manufacturer, importer or wholesaler as a resale price to the customer. The RRP is also referred to as the list price and is defined as the highest possible price that a buyer would pay for a specific product before any discounts (Source of gross list prices: Germany).
