15-16 days* (USA)

Serial interface RS 232C/9600/N/8/1 750-650 system component, degree of protection (IP) IP20, with electrical isolation, fieldbus connection possible via separate bus coupler, DIN rail mounting possible, explosion protection category for gas ATEX gas explosion protection, cat. 3G, Explosion protection category for dust ATEX dust explosion protection, cat. 3D, width 12mm, height 64mm, depth 100mm, The interface integrated in the bus terminal enables devices with an RS-232-C interface to be connected. The connected device can communicate directly with the controller via the bus coupler used. The active communication channel works independently of the higher-level bus system in full duplex mode with up to 19200 baud. The RS-232-C interface guarantees a high level of immunity to interference thanks to galvanically isolated signals. The shield connection is routed directly to the mounting rail.

* Note on delivery time: Day = Monday to Friday, no public holiday in Bavaria or Saxony. Goods are also delivered on Saturdays (DHL).

** Payment methods may vary from country to country. All prices plus shipping and excluding customs duties or other additional costs (import sales tax) for deliveries outside the EU.

*** Savings compared to RRP = the manufacturer's recommended retail price. RRP is the price recommended to retailers by the manufacturer, importer or wholesaler as a resale price to the customer. The RRP is also referred to as the list price and is defined as the highest possible price that a buyer would pay for a specific product before any discounts (Source of gross list prices: Germany).
