Paper filter bag for GAS50/50M 2 605 411 163(VE5) Type of accessory Vacuum cleaner bag, The fleece filter bag is a replacement bag for dry vacuuming. The fleece bag easily collects and removes dust. It offers better durability, performance and security compared to standard paper bags. The use of non-woven filter bags drastically improves the lifespan of standard and HEPA filters. It is designed for Bosch vacuum cleaners. If you use a fleece filter bag, make sure that the automatic filter cleaning is switched off to avoid damaging the fleece filter bag. Suitable for: GAS 50, GAS 50 M Professional.

* Note on delivery time: Day = Monday to Friday, no public holiday in Bavaria or Saxony. Goods are also delivered on Saturdays (DHL).
** Payment methods may vary from country to country. All prices plus shipping and excluding customs duties or other additional costs (import sales tax) for deliveries outside the EU.
*** Savings compared to RRP = the manufacturer's recommended retail price. RRP is the price recommended to retailers by the manufacturer, importer or wholesaler as a resale price to the customer. The RRP is also referred to as the list price and is defined as the highest possible price that a buyer would pay for a specific product before any discounts (Source of gross list prices: Germany).
