Battery-powered hydraulic cable shears, 5Ah ES65CFB Battery-powered hydraulic design/actuation, suitable for max. cable diameter 65mm, suitable for stranded conductors, suitable for steel wire braiding, total length 490mm, 2-component handle design, for cutting copper and aluminum cables with a lighter Steel armor (depending on cable type). Also suitable for fine-stranded cables. Extremely robust design with low dead weight. Large cutting area. Open cutting head, rotatable. Electronic control and monitoring of the cutting process. One-button operating concept for controlling all tool functions. Ergonomic 2-component plastic housing with soft inserts for comfortable and safe one-hand operation. Balanced center of gravity for easy handling and fatigue-free work. Evaluation function via blue tooth, optical interface and USB adapter. LED for work area lighting. Powerful 18V lithium-ion battery with very high capacity and extremely short charging time. Energy-saving function by switching off the motor after the cutting process has been completed. Powerful motors for maximum working speed. 2-stage hydraulics with fast forward and power stroke. Motor quick stop for high user safety. Automatic rewind after completed cut. Manual rewind if necessary. Manual reverse stop (MRS) for efficient work. LED display for showing tool data. Multifunction LED for maintenance display, charge status display of the battery and for data transfer via USB adapter. Environmentally friendly hydraulic oil, rapidly biodegradable. Scope of delivery: Battery 18 V / 5.0 Ah, Li-Ion (90 Wh) (RALB2EU), rapid charger for 18V Li-Ion batteries, 230 V (LGLB1EU), plastic case (KK120L).

* Note on delivery time: Day = Monday to Friday, no public holiday in Bavaria or Saxony. Goods are also delivered on Saturdays (DHL).

** Payment methods may vary from country to country. All prices plus shipping and excluding customs duties or other additional costs (import sales tax) for deliveries outside the EU.

*** Savings compared to RRP = the manufacturer's recommended retail price. RRP is the price recommended to retailers by the manufacturer, importer or wholesaler as a resale price to the customer. The RRP is also referred to as the list price and is defined as the highest possible price that a buyer would pay for a specific product before any discounts (Source of gross list prices: Germany).
