

Mains coupler 230V AC 50Hz - Current monitoring relay 16A 5TT3171

Siemens
5TT3171
 4001869073002 EAN/GTIN

134,48 USD excl. VAT**
 plus shipping

15-16 days* (USA)

Mains coupler 230VAC 50Hz 5TT3171 Design of the electrical connection screw connection, 1-phase undercurrent possible, rated control supply voltage U_s at AC 50 Hz 230 ... 230V, rated control supply voltage U_s at AC 60 Hz 230 ... 230V, rated control supply voltage U_s at DC 0V, type of voltage for actuation AC, current measuring range 16 ... 16A, number of contacts as NC contact 1, number of contacts as NO contact 0, number of contacts as changeover contact 0, width 18mm, height 90mm, depth 64mm, network coupler T55 AC 230V 50Hz with transparent cap Siemens switching devices for applications in functional residential and industrial applications. The innovative switching devices from Siemens are an important part of the SENTRON components for the electrical installation. With the remote switches, switching relays, Insta contactors and timers, they offer numerous options for implementing various switching functions. Whether for residential construction, infrastructure or industrial applications, Siemens offers the right portfolio for all switching functions. So you have the right device for every requirement! The switching devices from Siemens are primarily characterized by: 1. Convenient and simple installation and connection technology. 2. Reliable safety during installation thanks to standard contact protection. 3. Extensive and easily mountable accessories. 4. Optimum technology for your safety - only from Siemens. For the safe, efficient electrical infrastructure in buildings and industry, Siemens offers an integrated portfolio of protective switching, measuring and monitoring devices, distribution systems, switches and socket outlets.

* Note on delivery time: Day = Monday to Friday, no public holiday in Bavaria or Saxony. Goods are also delivered on Saturdays (DHL).

** Payment methods may vary from country to country. All prices plus shipping and excluding customs duties or other additional costs (import sales tax) for deliveries outside the EU.

*** Savings compared to RRP = the manufacturer's recommended retail price. RRP is the price recommended to retailers by the manufacturer, importer or wholesaler as a resale price to the customer. The RRP is also referred to as the list price and is defined as the highest possible price that a buyer would pay for a specific product before any discounts (Source of gross list prices: Germany).
