PE terminal gn/ye, 8mm, size 6 8WA1011-1PH00 Connectable conductor cross-section, fine-stranded without ferrule 6 ... 6mm², Connectable conductor cross-section, fine-stranded with ferrule 6 ... 6mm², Connectable conductor cross-section, solid-wire 6 ... 6mm², Connectable conductor cross-section, stranded 6 ... 6mm², electrical connection type 1 screw connection, electrical connection type 2 screw connection, connection position on the side, number of levels 2, number of terminal points per level 1, mounting type DIN rail TH35, material of the insulating body thermoplastic, operating temperature -25 ... 55°C, flammability class of the insulating material according to UL 94 V2, width/grid dimension 8mm, height with lowest mounting type 33mm, length 51mm, color green/yellow, PE terminal 2 screw connections green-yellow, 8mm, size. 6 Terminal block connection technology for various industrial applications and modern building installations from Siemens. Regardless of whether you choose the screw tension spring push-in or quick connection: all connection technologies can be freely combined with one another. The labeling and testing accessories are standardized and can be used across the board. With the terminal blocks from SIEMENS, many applications in industry, commercial buildings and residential buildings can be implemented. This means you have the right connection technology for every connection. The Siemens terminal blocks are characterized above all by: 1. Permanently secure contact. 2. Easily detachable connection of electrical connections such as cables and wires. 3. Realization of a variety of applications. 4. Convenient and simple assembly and connection technology. 5. Extensive and standardized accessories. 6. Reliable safety during installation thanks to standard touch protection. 7. Optimal technology for your safety - only from Siemens. Siemens offers a comprehensive portfolio of protection, switching, measuring and monitoring devices, distribution systems as well as switches and sockets for the safe, efficient electrical infrastructure in buildings and industry.

* Note on delivery time: Day = Monday to Friday, no public holiday in Bavaria or Saxony. Goods are also delivered on Saturdays (DHL).

** Payment methods may vary from country to country. All prices plus shipping and excluding customs duties or other additional costs (import sales tax) for deliveries outside the EU.

*** Savings compared to RRP = the manufacturer's recommended retail price. RRP is the price recommended to retailers by the manufacturer, importer or wholesaler as a resale price to the customer. The RRP is also referred to as the list price and is defined as the highest possible price that a buyer would pay for a specific product before any discounts (Source of gross list prices: Germany).
